"We had an epidemic of dysentery in this vicinity last summer," says Samuel S. Pollock, of Briceland, Cal. "I was taken with it and suffered severely until some one called my attention to Chain-berlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle and felt better after the first dose. Refere one-half of the bottle had been used I was well. I recommended it to my triends and their experience was the same. We all unite in saying it is the best." For sale by Druggists.
